

Yale ERGO 360° Hoist Wins Fast Pitch Innovation Award - at LiftEx 2017

One of Columbus McKinnon's newest products, the Yale ERGO 360° ratchet lever hoist, won the Fast Pitch Innovation Award at LiftEx 2017.

The Fast Pitch Innovation Award is given in recognition of an outstanding innovation or significant improvement to a new or an existing product or service that will benefit the lifting industry as a whole or a specific sector of the industry.

LiftEx 2017, held in November, is a tradeshow hosted by the Lifting Equipment Engineers Association (LEEAA) bringing in thousands of professionals in the lifting industry industries focused on numerous vertical markets.
